RE: Construction Work Plan for the Rehabilitation of the Pennsylvania Avenue Bridge Over Rock Creek

Dear Director Brown,

At its regular meeting on September 17, 2014, Advisory Neighborhood Commission 2A (**“ANC 2A” or “Commission”**) considered the above-referenced matter. With seven of eight commissioners present, a quorum at a duly-noticed public meeting, the Commission approved the following resolution by a vote of (7-0-0):

WHEREAS ANC 2A, representing Foggy Bottom and the West End, received materials and heard from the DDOT project team responsible for the upcoming reconstruction of the Pennsylvania Avenue Bridge (above Rock Creek Park);

WHEREAS the Commission is pleased to see that DDOT has eliminated plans for night-time work given the close proximity to more than 600 West End residents at 2555 and 2601 Pennsylvania Ave, NW, and that the construction hours will be Monday-Friday 7:00 am to 7:00 pm and Saturday 9:00 am to 3:00 pm;

WHEREAS the Commission suggests that DDOT evaluate making 26th Street a two-lane, one-way, northbound thoroughfare to support the traffic detour during construction;

RESOLVED that ANC 2A appreciates DDOT limiting construction hours to day-time hours, and is pleased it will explore making 26th Street one-way during construction.

Commissioners Rebecca Coder ([rebeccacoder@me.com](mailto:rebeccacoder@me.com)), Asher Corson ([lshercorson@gmail.com](mailto:lshercorson@gmail.com)) and Patrick Kennedy ([Patrick.Kennedy@anc.dc.gov](mailto:Patrick.Kennedy@anc.dc.gov)) are the commission’s representatives in this matter.

ON BEHALF OF THE COMMISSION.
