RE: Application for a special event permit for the "2014 Rock N Roll USA Marathon and Half Marathon"

Dear Ms. Thomas,

At its regular meeting on January 15, 2014, Advisory Neighborhood Commission 2A ("ANC 2A" or "Commission") considered the above-referenced matter. With six of eight commissioners present, a quorum at a duly-noticed public meeting, the Commission approved the following resolution by a vote of (5-1):

ANC 2A supports the application, subject to the following two conditions:

- That the sound stage presently planned for Virginia Avenue between 20th and 21st Streets instead be relocated further east on Virginia Avenue and away from residences near the intersection of 21st and E Streets.
- That vehicular and pedestrian access be maintained at all times for residents travelling to or from buildings located on the 500 block of 21st Street, where one-way conditions mandate that traffic continue south to E Street.

Commissioners Patrick Kennedy (Patrick.Kennedy@anc.dc.gov) and Jackson Carnes (jackson.carnes@gmail.com) are the Commission's representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,

Patrick Kennedy
Chairperson
