¹ Note that this meeting is jointly sponsored by the District of Columbia's Office of the Deputy Mayor for Planning and Economic Development ("DMPED"), in conjunction with the Office of the Deputy Mayor for Education as part of the process in which qualified development teams and qualified educational-use teams responded to the Request for Expressions of Interest to (1) redevelop the land adjacent to the historic Stevens School and (2) rehabilitate the existing historic Stevens School building for an educational user. The selected development team will share the costs of rehabilitating the historic Stevens School building with the selected educational-use team. This meeting is also sponsored by George Washington University's DC Students Speak Organization.
