RE: Notification of Approval for Installation of Emergency Vehicle Parking (**NOI #15-50-TOA**)

Dear Director Dormsjo,

At its regular meeting on April 15, 2015, Advisory Neighborhood Commission 2A (**“ANC 2A” or “Commission”**) considered the above-referenced matter. With seven of eight commissioners present, a quorum at a duly-noticed public meeting, the Commission approved the following resolution by a vote of (7-0-0):

ANC 2A endorses the following changes outlined in this notification of approval, based on the belief that the cumulative effect of these changes will be an alleviation of traffic congestion at Washington Circle:

- On the 900 block of 23rd Street NW, the conversion of five “15 minute parking” spaces into “emergency vehicle only” spaces.
- On the 900 block of New Hampshire Avenue NW, the conversion of two metered spaces into “emergency vehicle only parking” spaces.
- On the westbound service road of the 2400 block of K Street NW, the elimination of the first two residential parking spaces subsequent to the intersection with 24th Street NW.

Commissioners Florence Harmon (florencedc@comcast.net) and Patrick Kennedy (Patrick.Kennedy@anc.dc.gov) are the Commission’s representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,

Patrick Kennedy
Chairperson
