RE: Proposed Changes to DC's Comprehensive Plan Regarding Campus Plan Student Enrollment Caps

Dear Director Trueblood,

At its special meeting on February 12, 2020, Advisory Neighborhood Commission 2A (“ANC 2A” or “Commission”) considered the above-referenced matter. With six of eight commissioners present, a quorum at a duly-noticed public meeting, the Commission voted (4-0-2), after a motion made by Commissioner Smith and seconded by Commissioner Kennedy, to adopt the following resolution:

WHEREAS, Comprehensive Plan Text Amendment #2479 is listed as accepted for referral to the DC Council, although it is not included in the currently published full text of the plan,

WHEREAS, Text Amendment #2479 details a rationale for the elimination of the student enrollment caps incorporated into the District’s various university campus plans, and

WHEREAS, ANC 2A finds student enrollments caps to be a central and valued element of the George Washington University campus plan that it regularly relies upon to balance various and competing interests in our community.

THEREFORE, BE IT RESOLVED that ANC 2A opposes the elimination of campus plan enrollment caps at this time.

Commissioners William Kennedy Smith (2A04@anc.dc.gov) and Patrick Kennedy (2A01@anc.dc.gov) are the Commission’s representatives in this matter.

ON BEHALF OF THE COMMISSION.

Advisory Neighborhood Commission 2A

"Serving the Foggy Bottom and West End communities of Washington, D.C."

Sincerely,

Patrick Kennedy
Chairperson
