WHEREAS, bicycle ridership and scooter usage are heavy and increasing in the Commission’s area,

WHEREAS, disorganized, loosely parked bicycles and scooters congest our sidewalks and make them less safe, and

WHEREAS, DDOT suggests locations approaching (within 40 feet of) intersections which are already generally “No Parking” or “No Standing” zones.

THEREFORE, BE IT RESOLVED that ANC 2A requests that the following locations be seriously considered for dockless vehicle off-sidewalk corral installation:
