RE: Public Space Application by the American Pharmacists Association for Streetscape Improvements to Support Security Improvements on the 200 Block of 22nd Street NW and the 200 Block of 23rd Street NW (DDOT #359150)

Dear Chair Marcou,

At its regular meeting on November 18, 2020, Advisory Neighborhood Commission 2A (“ANC 2A” or “Commission”) considered the above-referenced matter. With six of six commissioners present, a quorum at a duly-noticed public meeting, the Commission unanimously voted (6-0-0), after a motion made by Commissioner Kennedy and seconded by Commissioner Epstein, to adopt the following resolution:

ANC 2A supports the American Pharmacists Association’s public space application for streetscape improvements to support security improvements on the 200 block of 22nd Street NW and the 200 block of 23rd Street NW. As part of this application, the ANC appreciates the proposed installation of a sidewalk where one does not currently exist on the west side of 200 block of 22nd Street NW due to the ANC’s work to improve sidewalk accessibility in the neighborhood.

Commissioners Patrick Kennedy (2A01@anc.dc.gov) and James Harnett (2A08@anc.dc.gov) are the Commission’s representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,

James Harnett
Chairperson

Advisory Neighborhood Commission 2A

“Serving the Foggy Bottom and West End communities of Washington, D.C.”

CC: David Grossweiler, Engineer, U.S. Department of State
James Dudney, Architect for the Applicant
