Re: District Department of Transportation (DDOT) NOI #15-86-TOA

Dear Director Dormsjo,

At its regular meeting on July 15, 2015, Advisory Neighborhood Commission 2A ("**ANC 2A**" or "**Commission**") considered the above-referenced matter. With five of the seven commissioners present, a quorum at a duly-noticed public meeting, the Commission voted unanimously (5-0-0) to object to the third bullet of DDOT's NOI #15-86-TOA (attached) and to adopt the following resolution:

Be It Resolved that ANC 2A objects to the third bullet of DDOT NOI #15-86-TOA (attached) by a vote of 5-0-0, which states: "Between 22nd and 28th, Virginia and N Street NW, Parking meters will be converted from 7:30 am to 6:30 pm to 7 am to 10 pm parking. Because of new business development in these areas, DDOT feels it necessary to increase parking to 10 pm and make is uniform with surrounding areas."

In objecting to this portion of the NOI, ANC 2A noted that the elimination of residential parking and the extension of metered parking was based on the erroneous conclusion that this portion of the West End and Foggy Bottom was now commercial in nature. ANC 2A noted that this premise was erroneous and urged DDOT to recognize and preserve the residential nature of the area between 22nd and 28th, Virginia and N Streets NW. Implementation of this portion of the NOI will cause great hardship to numerous residents and their guests.

It was noted that ANC 2A has no objection to the removal of parking suggested in the first and second bullets of NOI #15-86-TOA as these measures are enhancements that will facilitate better traffic flow in Washington Circle, which is supported by ANC 2A.

Commissioners Florence Harmon (floencedc@comcast.net), Patrick Kennedy (Patrick.Kennedy@anc.dc.gov), and Rebecca Coder (2A02@anc.dc.gov) are the Commission's representatives in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,

Patrick Kennedy
