**RE: Completion of Sidewalk Work on 23<sup>rd</sup> Street between L Street and M Street NW**

Dear Mr. Kaufmann,

At its regular meeting on October 20, 2021, Advisory Neighborhood Commission 2A (“ANC 2A” or “Commission”) considered the above-referenced matter. With seven of eight commissioners present, a quorum at a duly-noticed public meeting, the Commission voted unanimously (7-0-0), after a motion made by Commissioner Causey and seconded by Commissioner Friend, to adopt the following resolution:

The sidewalk on 23<sup>rd</sup> Street between L Street and M Street NW is a principal route for people walking to the George Washington University’s medical buildings on M Street NW and GW Hospital and for students at School Without Walls at Francis-Stevens who walk from the school on N Street NW to public transportation. The sidewalk on this block was only partially completed. ANC 2A supports completion of a safe sidewalk for persons of all ages and abilities.

Commissioner Jeri Epstein ([2A06@anc.dc.gov](mailto:2A06@anc.dc.gov)) is the Commission’s representative in this matter.

ON BEHALF OF THE COMMISSION.

Sincerely,

Jeri Epstein  
Chairperson
