The updated resolution is as follows:

WHEREAS, with the redevelopment of the West End library site at the northeast corner of 24<sup>th</sup> Street and L Street NW, a ninth cut-out will be added within this same stretch in order to support the parking entrance for more than 200 new residents, retail users, and library users, and

WHEREAS, the ANC, DDOT and Councilmember Evans’ office continue to receive complaints about the current traffic situation and requests for solutions to address both the short- and long-term issues.
